

A Wedding In Cherokee Country - Randy Newman

(F)There she is (C7)sitting there
(F7)Out behind the smoke-house in her (Bb)rocking chair
She (F)don't say nothin'
She(C7) don't do nothin'
She(F7) don't feel nothin'
She (Bb)don't know nothin'
(F)Maybe she's (Dm7)crazy, I don't (G7)know
Maybe that's (C7)why I love her (F)so (C7)

Her (F)papa was a midget
Her (C7)mama was a whore
Her (F7)grandad was a (Bb)newsboy 'til he was eighty-four (What a
slimy old bastard he was)
(F)Man don't you think I know she hates me
(C7)Man don't you think I know that she's no good
(F7)If she knew how she'd be unfaithful to me
(Bb)I think she'd kill me if she could
(F)Maybe she's (Dm7)crazy I don't (G7)know
Maybe that's (C7)why I love her (F)so (C7)

(Bb)I'm not afraid of the grey wolf
(F)Who stalks through our forest at dawn
(Bb)As long as I have her beside me
(F)I have the strength to (C7)carry on

(F)Today we will be married
(C7)And all the freaks that she knows will be there
(F7)And all the people from the village will be there
(Bb)To congratulate us
I will (F)carry her across the threshold
(C7)I will make dim the light
And I will (F7)attempt to spend my love within her
(Bb)Though I will try with all my might
She will (F)laugh at my mighty sword
She will (C7)laugh at my mighty sword
(F7)Why must everybody laugh at my mighty sword?
Lord, (Bb)help me if you will
(F)Maybe we're (Dm7)both crazy, I don't (G7)know
Maybe that's (C7)why I love her so
