

Bad is Bad

Dave Edmunds

(G)Went downtown to see my cousin
He plays guitar like a chainsaw buzzin`
In the crowd I see his mom and dad
I said, hey uncle, man your son is bad

Some**(C)**times, sometimes bad is **(G)**bad
I said **(D)**cool is a rule but **(C)**sometimes bad is **(G)**bad

(G)Across the street, a neon sign
All you can eat for a dollar ninety-nine
This old stew is the baddest in the land
But one dollar`s worth was all that I could stand

Some**(C)**times, sometimes bad is **(G)**bad
I said **(D)**cool is a rule but **(C)**sometimes bad is **(G)**bad

(G)I came back uptown to see my Marie
Nobody home, so I opened the door with my key
I love you baby was the note that I read
But there`s a strange pair of shoes underneath the bed

Some**(C)**times, sometimes bad is **(G)**bad
I said **(D)**cool is a rule but **(C)**sometimes bad is **(G)**bad

I said **(D)**cool is a rule but **(C)**sometimes bad is **(G)**bad
I said **(D)**cool is a rule but **(C)**sometimes bad is **(G)**bad
