

BLUE BAYOU

(F)Feel so bad got a worried mind, I'm so lonesome (C7)all of the time

Since I left my baby behind on (F) Blue Bayou (C7)

(F)Want to see my baby again, And to be with (C7) some of my friends

Maybe I'll be happier then on (F) Blue Bayou

CHORUS

(F)I'm going back someday come what may to (Gm) Blue Bayou

Where you (C7) sleep all day and the catfish play on (F) Blue Bayou

(F) And the fishing boats with their sails afloat, if (Bb)I could only (Bbm) see

That (F) familiar sunrise through (C7) sleepy eyes (F) how happy I'd be.

(F)Feel so bad got a worried mind, I'm so lonesome (C7)all of the time

Since I left my baby behind on (F) Blue Bayou (C7)

(F)Saving nickels saving dimes, working till the (C7) sun don't shine

Looking forward to happier times on (F) Blue Bayou

(F)I'm going back someday come what may to (Gm) Blue Bayou

Where my folks I'll find all of the time on Blue Bayou

With that girl of mine by my side till the moon in the evening dies

Oh some sweet day gonna take away this hurtin' inside

(F)I'm going back someday come what may to (Gm) Blue Bayou

Where you (C7) sleep all day and the catfish play on (F) Blue Bayou

(F) And the fishing boats with their sails afloat, if (Bb)I could only (Bbm) see

That (F) familiar sunrise through (C7) sleepy eyes (F) how happy I'd be.

On (Bb) BLUE..... (C7) BAY.....(F) OUOUOUOUOUOUOUOU
