

Call Me Maybe – Carly Rae Jepsen

Verse:

G Em
I threw a wish in the well, Don't ask me, I'll never tell
C D
I looked to you as it fell, and now you're in my way

G Em
I trade my soul for a wish, pennies and dimes for a kiss
C D
I wasn't looking for this, but now you're in my way

Pre-Chorus:

G Em
Your stare was holdin', Ripped jeans, skin was showin'
C D
Hot night, wind was blowin' Where you think you're going, baby?

Chorus:

G C D D G Em Em
Hey, I just met you, and this is crazy,
C D D
but here's my number, so call me, maybe?
G C D D G Em Em
It's hard to look right, at you baby,
C D D
but here's my number, so call me, maybe?
G C D D G Em Em
Hey, I just met you, and this is crazy,
C D D
but here's my number, so call me, maybe?
G C D D G Em Em
And all the other boys, try to chase me,
C D D
but here's my number, so call me, maybe?

Verse:

G Em
You took your time with the call, I took no time with the fall
C D
You gave me nothing at all, but still, you're in my way

G Em
I beg, and borrow and steal Have foresight and it's real
C D
I didn't know I would feel it, but it's in my way

Pre-Chorus:

G Em
Your stare was holdin', Ripped jeans, skin was showin'
C D
Hot night, wind was blowin' Where you think you're going, baby?

Chorus:

G C D D G Em Em
 Hey, I just met you, and this is crazy,
 C D D
 but here's my number, so call me, maybe?
 G C D D G Em Em
 It's hard to look right, at you baby,
 C D D
 but here's my number, so call me, maybe?
 G C D D G Em Em
 Hey, I just met you, and this is crazy,
 C D D
 but here's my number, so call me, maybe?
 G C D D G Em Em
 And all the other boys, try to chase me,
 C D D
 but here's my number, so call me, maybe?

Bridge:

G Em
 Before you came into my life I missed you so bad

 I missed you so bad I missed you so, so bad
