

Common People – Pulp

QUIET [C] She came from Greece she had a thirst for knowledge
She studied sculpture at St. Martins College
That's where [G] I caught her eye
[C] She told me that her dad was loaded
I said "In that case I'll have a rum and coke"
She said "fine" [G] and in a thirty seconds time she said
[F] "I want to live like common people
I want to do whatever common people do [C]
I want to sleep with common people
I want to sleep with common people like you" [G]
Well what else could I do?, I said "I'll see what I can do" [C]

Gradually LOUDER!

[C] I took her to a supermarket
I don't know why but I had to start it somewhere [G]- so it started there
[C] I said "Pretend you've got no money"
She just laughed and said "Oh, you're so funny"
I said "Yeah, [G] well I can't see someone else smiling in here
Are you sure you want to [F] live like common people
You want to see whatever common people see [C]
You want to sleep with common people
You want to sleep with common people like me [G]
But she didn't understand, she just smiled and held my hand [C]

LOUD!

[C] Rent a flat above your shop, cut you hair and get a job
Smoke some fags [G] and play some pool, pretend you never went to school
But still you'll never [C] get it right, 'cos when you're laid in bed at night
watching roaches [G] climb the wall, if you called your dad he could stop it all
[F] You'll never live like common people
You'll never do whatever common people do [C]
You'll never fail like common people
You'll never watch your life slide out of view [G]
And dance and drink and screw because there's nothing else to do [C]

[F] Sing along with the common people,
Sing along and it might just get you through [C]
Laugh along with the common people
Laugh along even though they are laughing at you [G]
And the stupid things that you do
Because you think that poor is cool [C]

QUIET!

[C] Like a dog lying in a corner they will bite you and never warn you
look out, [G] they'll tear you insides out
[C] 'Cos everybody hates a tourist especially one who thinks that it's all
[G] Such a laugh
and the chip stains and grease will come out in the bath

LOUDER!

you will never [F] understand how it feels to live your life
With no [C] meaning or control and with nowhere left to go
You are [G] amazed that they exist and they burn so bright
Whilst you can only [C] wonder why

[C] Rent a flat above your shop, cut you hair and get a job
Smoke some fags [G] and play some pool, pretend you never went to school
But still you'll [C] never get it right, 'cos when you're laid in bed at night
watching { **Stacato** – GGG / GGG / GGG / GGG / G G G G GGGGGGGG(8)}roaches climb
the wall, if you called your dad he could stop it all [F]

[F] You'll never live like common people
You'll never do whatever common people do [C]
You'll never fail like common people
You'll never watch your life slide out of view [G]
And dance and drink and screw because there's nothing else to do [C]

Stay [C]

I want to live with common people like you
I want to live with common people like you
I want to live with common people like you
I want to live with common people like you
La La La La La Oh Yeah.....
