You'll see things in a different way

It'll be here, better than before

Yesterday's gone, yesterday's gone

Why not think about times to come
And not about the things that you've done
If your life was bad to you
Just think what tomorrow will do

All I want is to see you smile
If it takes just a little while
I know you don't believe that it's true
I never meant any harm to you
