Down On The Beach Tonight (The Drifters)

INTRO: Dsus4 // D //// //// Dsus4 // G //// //// A //// A7 ////

CHORUS

D
Say, you'll meet me down on the beach tonight,
G
where you and I could dance till break of day,
A
underneath the stars to soft guitars,
G A
there's gonna be an all night party babe.
D
Say you'll be there down on the beach tonight,
G
where you and I could dance your tears away,
A
barefoot in the sand, hand in hand,
G D
we're gonna have an all night party.

VERSE

D A G
Little girl, you know he won't call up again,
A D D7
he's out there on the town with your best friend.
G F# Bm
Don't wait all night by the window, you know it had to end,
G E A A7
You might as well come down and have a good time.

VERSE

D A G
Little girl, he'll always be the cheating kind
A D D7
I knew that he would soon step out of line
G F# Bm
So don't cry all night on your pillow 'cause he ain't worth the time
G E A A7
You might as well come down and join the party
