

Driftwood Travis

EmAEmA

Verse one:

D G6 Asus4 A
Everything is open, nothing is set in stone
D G6 Asus4 A
Rivers turn to oceans, oceans tide you home
D G6 Asus4 A
Home is where the heart is, but your heart had to roam
D G6 Asus4 A
Drifting over bridges never to return
A7
Watching bridges burn

Chorus:

D A Em
You're driftwood floating underwater
G6
Breaking into pieces, pieces, pieces
D A Em
Just driftwood, hollow and of no use
G6
Waterfalls will find you, bind you, grind you

Verse two:

D G6 Asus4 A
Nobody is an island, everyone has to go
D G6 Asus4 A
Pillars turn to butter, butterflying low
D G6 Asus4 A
Low is where your heart is but your heart has to grow
D G6 Asus4 A
Drifting under bridges, never with the flow

Chorus:

Em Asus4 A
And you really didn't think it would happen
Em Asus4 A
But it really is the end of the line
D A Em
So I'm sorry that you've turned to driftwood
G6 D
But you've been drifting for a long, long time

Solo:

EmAsus4 - AEmEm

Verse three:

D G6 Asus4 A
Everywhere there's trouble, nowhere's safe to go
D G6 Asus4 A
Pushes turn to shovels, shovelling the snow

D G6 Asus4 A
Frozen you have chosen the path you wish to go
D G6 Asus4 A
Drifting now forever and forever more
A7

Until you reach your shore

Chorus:

D A Em
You're driftwood floating underwater
G6
Breaking into pieces, pieces, pieces
D A Em
Just driftwood, hollow and of no use
G6
Waterfalls will find you, bind you, grind you
Em Asus4 A
And you really didn't think it would happen
Em Asus4 A
But it really is the end of the line
D A Em
So I'm sorry that you've turned to driftwood
G6 D
But you've been drifting for a long, long time
Em D
But you've been drifting for a long, long time
Em
You've been drifting for a long, long
G6 D
Drifting for a long, long time
