

# Faith

Well, I guess it would be [G] nice if I could touch your body  
I know not [C] everybody has got a body like [G] you  
But I've got to think [G] twice before I give my heart away  
And I know [C] all the games you play because I play them [G] too

Oh, but I [C] need some time off from [G] that emotion  
[C] Time to pick my heart up off the [G] floor  
Oh, when that [C] love comes down with [G] out [Em] devotion  
Well, it [Am] takes a strong man baby, but I'm [D] showing you the  
door

'Cause I gotta have [G] faith, I gotta have faith  
Because I gotta have faith, faith, faith, I gotta have faith, faith, faith

[G] Baby, I know you're asking me to stay  
Say please, please, [C] please don't go away  
You say I'm giving you the [G] blues  
Maybe, huh, you mean every word you say  
I can't help but [C] think of yesterday  
And another who [G] tied me down to loverboy rules

[C] Before this river [G] becomes an ocean  
[C] Before you throw my heart back on the [G] floor  
Oh, oh baby I'll [C] reconsider my [G] foolish [Em] notion  
Well I [Am] need someone to hold me but I'll [D] wait for something  
more

Yes I gotta have [G] faith, ooh I gotta have faith  
Because I gotta have faith, faith, faith  
I gotta have faith, faith, faith
