

Fall At Your Feet Crowded House

Hear this song at: <http://www.youtube.com/watch?v=82JZh3VyE2M> (play along with capo at 3rd fret)

From: Richard G's Ukulele Songbook www.scorpex.net/Uke

[Am] I'm really close tonight [C]
And I feel like I'm [Bm] moving inside her [E7]
Lying in the [Am] dark [C]
I think that I'm be[Bm]ginning to know [E7] her
Let it [Am] go [C] I'll be there when you [F] call
Whenever I [C] fall [G] at your [Am] feet [F]
And you let your [C] tears [G] rain down on [Am] me [F]
Whenever I [C] touch your [G] slow turning [Am] pain [F]
You're hiding from me [Am] now [C]
There's something in the [Bm] way that you're talking [E7]
The words don't sound [Am] right [C]
But I hear them all [Bm] moving inside [E7] you
[Am] Go [C] I'll be waiting when you [F] call
Whenever I [C] fall [G] at your [Am] feet [F]
And you let your [C] tears [G] rain down on [Am] me [F]
Whenever I [C] touch your [G] slow turning [Am] pain [F]
The finger of [C] blame has turned up [G] on itself
And I'm [Am] more than willing to [F] offer myself
Do you [C] want my presence or [G] need my help
[Am] Who knows where that might [F] lead
Whenever I [C] fall [G] at your [Am] feet [F]
D'you let your [C] tears [G] rain down on [Am] me [F]
Whenever I [C] fall [G] at your [Am] feet [F] [C]
