

Half A Boy And Half A Man- Nick Lowe

INTRO: C //// Bb //// F //// (STOP 2,3,4)

INSTRUMENTAL OVER 2 VERSES

You better [F] run, You better hide
You better lock your house and keep the [C]kids inside
Here comes the 20th century's latest scam
Called a-half a boy and [F] half a man

He ain't a [F] fool, but he's a tool
Because his left don't know what his [C]right hand is doin'
He'll keep a-King Kong eatin' out the palm of his hand
He's a half a boy and [F] half a man

INSTRUMENTAL OVER VERSE

Best be [F] fleet upon your feet
Or else the SPG's gonna be [C]clearin' the streets
They never made no provision in the original plan
For a-half a boy and [F] half a man

BRIDGE

When his[Bb] fingers do the walkin'
In the [F] middle of the night
[G7]Where there's people stalkin'
Baby let me tell you, nothin' come out [C]right

Best be [F] fleet upon your feet
Or else the SPG's gonna be [C]clearin' the streets
They never made no provision in the original plan
For a-half a boy and [F] half a man
