

# Hanging On The Telephone

I'm in the phone booth, it's the [Cadd9]one across the hall [Em]  
If you don't answer, I'll just [Cadd9]ring it off the wall [Em]  
I know he's there, but [Cadd9]I just had to call [Em]

## Chorus -

Don't leave me [C]hanging on the [D]tele[Em]phone  
Don't leave me [C]hanging on the [D]tele[Em]phone

I heard your mother now she's [Cadd9]going out the door [Em]  
Did she go to work or [Cadd9]just go to the store [Em]  
All those things she said, I [Cadd9]told you to ignore [Em]

## Bridge-

Oh why can't we [Dsus2]talk again [A]  
Oh why can't we [Dsus2]talk again [A]  
Oh why can't we [Dsus2]talk again [A]

## Chorus -

It's good to hear your voice, you [Cadd9]know it's been so long [Em]  
If I don't get your call then [Cadd9]everything goes wrong [Em]  
I want to tell you something [Cadd9]you've known all along

Don't leave me [C]hanging on the [D]telephone [Em]

## Bridge-

I had to interrupt and [Cadd9]stop this conversation [Em]  
Your voice across the line gives [Cadd9]me a strange sensation [Em]  
I'd like to talk when I can [Cadd9]show you my affection [Em]

Hang [Dsus2]up and run to [A]me
