

**Intro:** [F]

[F] They say everything can be re- [Gm] -placed  
 [Am] They say every [Bb] distance is not [F] near  
 [F] So I remember every [Gm] face  
 [Am] Of every [Bb] man who put me [F] here [C7]

**Chorus:**

[F] I see my light come [Gm] shining  
 [Am] From the [Bb] west down to the [F] east  
 [F] Any day now, [Gm] any day now  
 [Am] I [Bb] shall be re- [F] -leased

[F] They say every man needs pro- [Gm] -tection  
 [Am] They say that [Bb] every man must [F] fall  
 [F] Yet I swear I see my ref- [Gm] -lection  
 [Am] Somewhere so [Bb] high above this [F] wall [C7]

**(Chorus)**

[F] Now yonder stands a man in this [Gm] lonely crowd  
 [Am] A man who [Bb] swears he's not to [F] blame  
 [F] All day long I hear him [Gm] shouting so loud  
 [Am] Just crying [Bb] out that he was [F] framed [C7]

**(Chorus)**

[F] Any day now, [Gm] any day now  
 [Am] I [Bb] shall be re- [F] -leased [F]
