

## **Lonely Mountain:** The Random Family

### **C (1<sup>st</sup> voice)**

I wish I **(Am)**was a lonely **(C)**mountain  
Standing **(Am)**tall for ever **(G)**more  
Always **(Am)** whole and never **(C)**changing  
Until one **(F)**day I turn back to **(C)**dust

### **(2<sup>nd</sup> voice)**

When I was **(Am)**young I thought I was **(C)**clever  
But now I **(Am)**know I'm just another **(G)**fool  
Full of big **(Am)**ideas, but no under**(C)**standing  
Of what is **(F)**real or just a **(C)**dream

### **(All)**

I wish I **(Am)**was a broken **(C)**piano  
Never making **(Am)**sounds people **(G)**expect  
Too broke to **(Am)**fix but too old to **(C)**part with  
A symbol of **(F)**love left lingering **(C)**on

### **(All)**

My life with **(Am)**you was like playing **(C)**poker  
Always tryin' so **(Am)**hard to give nothing **(G)**away  
We were both so **(Am)**scared, of our shared **(C)**weakness  
That drove me **(F)**mad and sent you **(C)**away

### **Instrumental break (1 verse)**

### **(All) (a cappella)**

I wish I **(Am)**was a grievous angel  
So I could spend one night in Peace  
Without your ghost lying there beside me  
Where will I find **(F)**rest? Where will I find **(C)**rest?

### **(All)**

I can see my **(Am)**path laid out **(C)**before me  
But where it **(Am)**leads I cannot **(G)**say

### **(1<sup>st</sup> and 2<sup>nd</sup> voices)**

But I'm not **(Am)**scared and I'm not **(C)**wearry

### **(1<sup>st</sup> voice)**

I'll keep walking **(F)**on, on into the **(C)**sun **(C)****(F)****(F)****(F)****(C)**
