**INTRO G//// A//// Bm //// G//// D//// A//// D//// D//**

### VERSE 1:

**D A**  
Captured my heart, captured my memory,

**Bm F#m**  
Captured a time for me, I could see,

**Em A**  
A time for me was gonna be.

**D A**  
Deep in my heart, deep in my memory,

**Bm F#m**  
Deep in a part of me, heart of me,

**Em A**  
Meant to be History,

**Em A**  
Could it be that I'm still wanderin'

### CHORUS:

**D G**  
I never knew what had happened to me,

**A D**  
I didn't think it was true,

**D G**  
That I could be just like anyone else,

**A D**  
I'll take my chance with you.

**D//// A//// D//// D//**

### VERSE 2:

**D A**  
Picture a dream, picture a fantasy,

**Bm F#m**  
Picture the mood of me, mystery,

**Em A**  
You and me a mystery.

**D A**  
Lost in a dream, lost in a fantasy,

**Bm F#m**  
Lost in what seemed to be, dreams to me,

**Em A**  
Seemed to be, had to be,

**Em A**  
Couldn't find no other reason,

You'll still always find me wanderin'
