Morning of My Life

[C] In the morning when the **[F]** moon is at its **[C]** rest
You will find me at the **[F]** time I love the **[C]** best
Watching **[Dm]** rainbows play on **[Em]** sunlight;
Pools of **[Dm]** water iced from **[Em]** cold nights,
In the **[Dm]** morning **[F]** 'Tis the morning of my **[G]** life

In the **[C]** daytime I will **[F]** meet you as be-**[C]**fore
You will find me waiting **[F]** by the ocean **[C]** floor
Building **[Dm]** castles in the **[Em]** shifting sands
In a **[Dm]** world that no one **[Em]** understands
In the **[Dm]** morning **[F]** 'Tis the morning of my **[G]** life
'Tis the **[F]** morning of my **[C]** life

In the **[C]** morning of my **[Dm]** life
The **[F]** Minutes take so **[G]** long to drift a-**[C]**way
Please be **[C]** patient with your **[Dm]** life
It's only **[F]** morning and you're **[G]** still to live your **[C]** day

In the **[C]** ev'ning I will **[F]** fly you to the **[C]** moon
To the **[C]** top right hand corner of the **[F]** ceiling in my **[C]** room
Where we'll **[Dm]** stay until the **[Em]** sun shines
Another **[Dm]** day to swing on **[Em]** clothes lines
May I be **[Dm]** yawning **[F]** it’s the morning of my **[G]** life
It’s the **[F]** morning of my **[C]** life

[C] In the morning
In the morning
In the morning
