Intro G -> A A -> E X4

A E
Now I've got a cousin called Kevin,
A E
He's sure to go to Heaven,
G D
always spotless, clean and neat,
G D
as smooth as you get 'em.
A E
He's got a fur lined sheepskin jacket,
A E
My ma says they cost a packet,
G D
but she won't even let me explain,
G D
that me and Kevin, we just look the same

Chorus:

A E
Oh, my perfect cousin,
A E
what I like to do he doesn't,
A D
He's his family's pride and joy,
Dbm E
his mother's little golden boy.
A E
He's got a degree in economics,
A E
maths, physics and bionics,
G D
He thinks that I'm a cabbage,
G D
'cos I hate "University Challenge",
A E
Even at the age of ten,
A E
Smart boy Kevin was a smart boy then,
G D
He always beat me at "Subbuteo",
G D
'Cos he flicked to kick, and I didn't know.

Chorus:

A E
Oh, my perfect cousin,
A E
what I like to do he doesn't,
A D
He's his family's pride and joy,
Dbm E
his mother's little golden boy.

Break:

A G E D X2
E D A G X2
Db -> D x2 or 3...

His mother bought him a synthesizer,
got the Human League in to advise her,
Now he's making lots of noise,
playing along with the Art school boys,
Girls try to attract his attention,
but what a shame, it's in vain,
total rejection,
he will never be left on the shelf
'cos Kevin, he's in love with himself.

Chorus:

A E
Oh, my perfect cousin,
A E
what I like to do he doesn't,
A D
He's his family's pride and joy,
Dbm E
his mother's little golden boy.
