

# No Particular Place to Go - Chuck Berry

**N/C** **G**  
 Riding along in my automobile,  
**N/C** **C**  
 I stole a kiss at the turn of a mile  
**N/C** **D**  
 crusin' and playin' the radio

## Verse 2

**N/C** **G**  
 Riding along in my automobile,  
**N/C** **C**  
 So I told her softly and sincere  
**N/C** **D**  
 cuddlin' more and drivin' slow

**N/C** **G**  
 My baby beside me at the wheel  
**N/C** **G**  
 my curiosity running wild  
**N/C** **G**  
 with no particular place to go

**N/C** **G**  
 I's anxious to tell her the way I feel  
**N/C** **G**  
 and she leaned and whispered in my ear  
**N/C** **G**  
 with no particular place to go

## Verse 3

**N/C** **G**  
 No particular place to go,  
**N/C** **C**  
 The night was young and the moon was gold  
**N/C** **D**  
 Can you image the way I felt

**N/C** **G**  
 So we parked way out on ko-ko-mo  
**N/C** **G**  
 So we both decided to take a stroll  
**N/C** **G**  
 I couldn't unfasten her safety belt

## Verse 4

**N/C** **G**  
 Riding along in my calaboose,  
**N/C** **C**  
 all the way home I held a grudge  
**N/C** **D**  
 Crusin' and playing the radio

**N/C** **G**  
 Still trying to get her belt a-loose  
**N/C** **G**  
 for the safety belt that wouldn't budge  
**N/C** **G**  
 with no particular place to go
