Every time I see your face,

G D A A7

it reminds me of the places we used to go

D

But all I've got is a photograph,

G D A A7

and I realize you're not coming back anymore

F#

Bm

I thought I'd make it, the day you went away

F# Bm A A7

But I can't make it, till you come home again to stay

D

I can't get used to living here,

G D A A7

while my heart is broke, my tears are cried for you

D

I want you here to have and hold,

G D A A7

as the years go by and we grow old and grey

INSTRUMENTAL OVER VERSE (WITH OPTIONAL AAHS)

F#

Bm

Now you're expecting me, to live without you

F# Bm A A7

But that's not something, that I'm looking forward to

D

I can't get used to living here,

G D A A7

while my heart is broke, my tears are cried for you

D

I want you here to have and hold,

G D A A7

as the years go by, and we grow old and grey
