

Plastic Jesus

[C]////

[C] I don't care if it rains or freezes
As [F]long as I've got my plastic Jeezus
[C] Riding on the dashboard of my [G]car
[C] I'm afraid, He'll have to go
He [F]clashes with my radio
[C]Plastic Jeezus, You [G]won't get me [C]far

[C]Plastic Jeezus, plastic [F]Jeezus
[C]Riding on the dashboard of my [G]car
[C]I'm afraid, He'll have to go
He [F]clashes with my radio
[C]Plastic Jeezus, You [G]won't get me [C]far

[C]I don't want kisses and I don't want hugs
[F]Just want lots of sex and drugs
[C]Knowing you won't get me [G]far
[C]Don't like walking, don't like strolling
[F]Just like good old rock and rolling
[C]Plastic Jeezus, You [G]don't get me [C]far

[C]Plastic Jeezus, plastic [F]Jeezus
[C]Riding on the dashboard of my [G]car
[C]I'm afraid, He'll have to go
He [F]clashes with my radio
[C]Plastic Jeezus, You [G]don't get me [C]far [F] [C]

Kazoo Solo over first verse

Repeat whole song
