

# Say That You Love Me

**A**  
 Have mercy baby, on a poor girl like me  
 You know I'm **E** fallin', fallin', fallin' at your **A** feet  
 I'm **A** tingling right from my head to my toes  
 So **E** help me, help me, help me make the feeling **A** grow

## Chorus

'Cause when the **F#m** **A** loving starts and the **F#m** **A** lights go down  
 And there's not another living soul around  
 You can **F#m** **D** woo me until the sun comes up  
 And you **F#m** **E** say that you **A** love me

**A**  
 Have pity baby, just when I thought it was over  
 Now you **E** got me runnin', runnin', runnin' for **A** cover  
 I'm **A** begging you for a little sympathy  
 'Cause if you **E** use me again it'll be the end of **A** me

## Repeat Chorus

**A**  
 Baby, baby, hope you're gonna stay away  
 'Cause I'm **E** getting weaker, weaker every **A** day  
 I **A** guess I'm not as strong as I used to be  
 And if you **E** use me again it'll be the end of **A** me

## Repeat Chorus

## Repeat 4x:

**A** **D** **A**  
 Fallin', fallin', fallin'
