C

Take this job and shove it

F

I ain't working here no more

C

My woman done left took all the reason

D7 G7

I was working for

C

Ya better not try to stand in my way

F C

As I'm walking out that door

F C

You can take this job and shove it

G7 C

I ain't working here no more

Well I been working in this factory

For now on fifteen years

F

All this time I watched my woman

G7

Drowning in a pool of tears

C

And I've seen a lot of good folks die

F C

Who had a lot of bills to pay

F

I'd give the shirt right off of my back

If I had the guts to say

repeat #1

The foreman he's a regular dog

The line boss he's a fool

F

He got a flat top haircut

G7

Lord the boy thinks he's cool

C

One of these days

I'm gonna blow my top

F C

And that sucker he's gonna pay

F

I can't wait

C

Until I get the nerve

To walk up to him and say

repeat #1
