

## The Rainbow Connection – The Muppets

**G – C – G – C**

**G**                    **Em**    **Am**            **D**  
Why are there so many songs about rainbows  
**G**                    **Em**    **C**  
and what's on the other side?

**G**                    **Em**            **Am**    **D**  
Rainbows are visions, but only illusions,  
**G**                    **Em**            **C**  
and rainbows have nothing to hide.

**CMaj7**  
So we've been told and some choose to believe it.

**F#m**  
I know they're wrong, wait and see.

**Am**                    **D**            **Bm**    **E7**  
Someday we'll find it, the rainbow connection.

**Am**                    **D7**            **G**  
The lovers, the dreamers and me.

**G – C – G – C**

**G**                    **Em**            **Am**            **D**  
Who said that every wish would be heard and answered  
**G**                    **Em**            **C**  
when wished on the morning star?

**G**                    **Em**            **Am**            **D**  
Somebody thought of that, and someone believed it.

**G**                    **Em**            **C**  
Look what it's done so far.

**Cmaj7**  
What's so amazing that keeps us star gazing

**F#m**  
and what do we think we might see?

**Am**                    **D**            **Bm**    **E7**  
Someday we'll find it, the rainbow connection.

**Am**                    **D7**            **G**  
The lovers, the dreamers and me..

**D**                    **Em**            **G**  
All of us under its spell.

**C**                    **G**            **D – D7**  
We know that it's probably magic.

**G**                    **Em**            **Am**            **D**  
Have you been half asleep and have you heard voices?

**G**                    **Em**            **C**  
I've heard them calling my name.

**G**                    **Em**            **Am**            **D**  
Is this the sweet sound that called the young sailors.

**G**                    **Em**            **C**  
The voice might be one and the same.

**CMaj7**  
I've heard it too many times to ignore it.

**F#m**  
It's something that I'm supposed to be.

**Am**                    **D**            **Bm**    **E7**  
Someday we'll find it, the rainbow connection.

**Am**                    **D7**            **G**  
The lovers, the dreamers and me..

**D**                    **Em**            **G**
