**DD F#mF#m GGG GGG x 2**

(D)I pulled in to (F#m)Nazareth, I was (G)feeling about half past (D)dead.  
I just need some (F#m)place where (G)I can lay my (D)head.  
"Hey, Mister, can you (F#m)tell me where a (G)man might find a (D)bed?"  
He just grinned, (F#m)shook my hand, (G)"No" was all he (D)said.

(D)Take a (F#m)load off, (G)Fanny.  
(D)Take a (F#m)load for (G)free.  
(D)Take a (F#m)load off, (G)Fanny.  
And... you put the load right on me.

(D)I picked up my (F#m)bag. I went (G)looking for a place to (D)hide.  
When I saw (F#m)Carmen and the devil (G)walking side by (D)side.  
I said, "Hey, (F#m)Carmen, come (G)on. Let's go down(D)town."  
She said, "I got to (F#m)go, but my (G)friend can stick a(D)round."

## CHORUS

(D)Go down, Miss (F#m)Moses, there's (G)nothing you can (D)say.  
It's just old (F#m)Luke, and Luke's (G)waiting on the judgement (D)day.  
"Well, Luke, my (F#m)friend, what a(G)bout young Anna (D)Lee?"  
He said, "Do me a (F#m)favour, son, won't you (G)stay and keep Anna Lee  
(D)company."

## CHORUS

(D)Crazy Chester (F#m)followed me and he (G)caught me in the (D)fog.  
He said, "I will (F#m)fix your rack, if (G)you'll take Jack my (D)dog."  
I said, "Wait a minute, (F#m)Chester. You know (G)I'm a peaceful (D)man."  
He said, "That's o(F#m)kay, boy. Won't you (G)feed him when you (D)can?"

## CHORUS

(D)Get your (F#m)Canonball now, to (G)take me down the (D)line.  
My bag is (F#m)sinking low, and I (G)do believe it's (D)time  
To get back to Miss (F#m)Fanny. You know(G) she's the only (D)one  
Who sent me (F#m)here with her re(G)gards for every(D)one.
