I would take the stars out of the sky for you,

stop the rain from falling if you asked me to.

Em

I'd do anything for you, your wish is my command.

Em

I could move a mountain when your hand is in my hand.

D

Words cannot express how much you mean to me,

Bm

there must be some other way to make you see.

Em

F#m7

If it takes my heart and soul, you know I'll pay the price.

Em

A

Ev'rything that I possess I'd gladly sacrifice.

CHORUS:

Though you're close to me, we seem so far apart.

Maybe, given time, you'll have a change of heart.

Em

F#m7

If it takes forever, girl, then I'm prepared to wait.

The day you give your love to me won't be a day too late.
